

## RISE Scheduling Questionnaire

**RISE schedules services throughout the year in four seasons and accepts new applicants for each season after an assessment has been completed.**

A. Winter Season = January, February, March (*sign ups open December 1st*)

B. Spring Season = April, May, June (*sign ups open March 1st*)

C. Fall Season = September and October (*sign ups open August 1st*)

D. Holiday Season = November and December (*sign ups open October 1st*)

1. The season will open for sign ups a month before the beginning of the season.
2. Each season's scheduling is a **"first paid" system** meaning a particular time on the schedule is **not guaranteed** each season until payment is received.
3. Payment in full is due prior to each season and **ONE WEEK OF MAKE-UPS** will be available to makeup a missed session due to illness or weather.
4. There will be **NO REFUNDS** for missed sessions so please consider appointments and vacations prior to scheduling.
